ARTEMIDE - EMPATIA 26 SUSPENSION

\$19,900.00

Empatia is inspired by the association between the great glass-blowing tradition and the LED technology of Artemide. High interest in the expression potentials of this material resulted into co-operation with master glass blowers to gain full control of the special suppleness of Venetian glass and to work on the balance between surface and light, between subtle densities and transparencies. Hence clear, pure craft objects, each of them unique in all respects. Transparency and opacity are wisely dosed to obtain a glass that reflects light without glaring and without losing efficiency. Hence optical device, whose heart is a high-performance LED-based light engine created separately from the glass emission body in favor of higher thermal efficiency and performance. Light is controlled with maximum yield and driven towards the glass diffuser through a transparent pipe with a very low absorption coefficient.

PRODUCT DESCRIPTION

FEATURES

Product Code: 1817010A

• Colour: White

• Installation: Table

• Material: Blown glass, methacrylate, aluminum

• Series: **Design Collection**

• design by: Carlotta de Bevilacqua, Paola di Arianello

LUMINAIRE

• Watt: 20W

• Delivered lumen output: 710lm

CCT: **3000K**Efficiency: **50%**

• Efficacy: 35.49lm/W

• CRI: 90

• Dimmer Typology: Touch Dimmer

DIMENSIONS

Height: 290 mm
Diameter: 260 mm
Impact Resistance: N/D
Glow Wire Test: 650°C

SOURCES INCLUDED

Category: LedNumber: 1Watt: 20W

Delivered lumen output: 1710lm
Color temperature (K): 3000K

• CRI: **90**

• Color Tolerance: 2SDCM
